Starts Wednesday 10 th November 2021 until Wednesday 1 st December 2021 inclusive. During this club you will be given various science and tech tasks, construction challenges and use equipment such as Catapults, KNEX, Lego and Den Building.

Additional Information:

Please note that due to high demand for places in clubs, these will initially be offered to children who have not had the opportunity to take part in a club before or who did not get a place previously. After this, places will be allocated on a first-come, first-served basis; please ensure your reply forms are returned to the main office. Parents will be informed whether they have a space and when the clubs are available to pay via ParentPay. We recognise that there is a large demand for clubs after school and we will continue to expand and develop our offers and activities to accommodate as many children as we can. Where possible, we will also try to run the same club multiple times throughout the year to ensure that children can have the opportunity to take part at some stage.
