

Dear Parents/Carers,

As you are aware, your children will be expected to sit the end of Key Stage 2 SATs this academic year. The children work towards this through-out the year and have already been working extremely hard on consolidating their prior learning and developing an understanding of the Y6 objectives for reading, SPAG, maths and writing.

Although Year 6 SATs will not take until wc Monday 9th May 2022, we are aware that many of you will have questions about this process and will also be keen to help and support your child with their learning. As a result, we will be holding a SATs meeting for parents on Wednesday 19th January 2022 at 4.30pm in the school hall.

*Following the existing COVID 19 guidance in school, can we please ask that only one parent per child/household attend the meeting, face masks are worn and regular hand sanitising is carried out.*

We are aware that you may have work/child care commitments during this time. However, would strongly recommend you attend this meeting, if you are able to, as we will explain how the SATs will be delivered, and will be available to answer any questions you have about SATs at this time.

Any information shared at the meeting used will also be available on Dojo for parents to access.

We look forward to seeing you there!

Thank you for your continued support,

Miss Cochrane, Mrs Lester-Binney & Mrs O'Daly
