

Physical Education:

PE lessons will take place on Tuesdays and Fridays. All children must keep their PE kit in school. Full PE kit consists of: white T-shirt/polo shirt, black shorts/joggers/leggings, and trainers or pumps. This half term our PE will be gymnastics and Tennis.

Reading & Phonics

We encourage all children to read 4 times per week across school. We ask that you simply record in your child's reading record when they have read each week so that we can keep track. Children then need to bring their reading record into school **every day** as adults in school will often hear them read and wish to sign their record. On a **Thursday morning**, children that have read 4 times during the week will receive a 'Wild About Reading' stamp. During Thursday assembly each class will then reveal their class percentage for reading 4 times per week. The class with the highest percentage will then be able to go in the Wilds Area the following week. Children are really excited about this and have really enjoyed finding out the class score, so thank you for your continued support with reading!

Aston Hall Junior & Infants

Curriculum Booklet for Parents

Spring term 2022

KS1

Staff

Mrs Ditchburn – Y2 teacher, KS1, History and Geography lead.

Miss Poole – Y1/2 teacher, Phonics Lead

Miss Lapping – Y1 teacher, DT Lead

Mrs James – KS1 TA

Mrs Stickland – KS1 TA, mornings

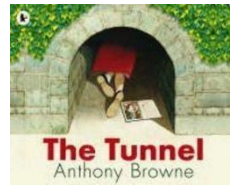

Miss Davenport – Student teacher (Y2)

KS1 Timetable	
Mornings	Afternoons
8:40 Doors open for morning job	12:00 Lunch
8:50 Register	13:00 Topic
9:00 Reading/Assembly	14:15 Break
9:30 Maths	14:30 Story/Assembly
10:15 Break	14:55 Home
10:30 English Novel Study	
11:20 Phonics/SPaG	

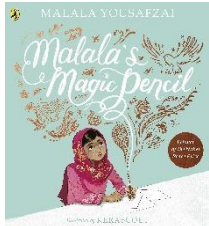

Maths:

In Year 2 we will be starting with Subtraction and then we will learn to use different strategies to solve Multiplication and Division problems before looking at Shape and Fractions.

In Year 1 we will be starting with addition and subtraction. Within this we will learn to use different strategies such as counting on/back to find an answer, or using our number bonds to 10 knowledge to help us solve problems with bigger numbers. Then we will look at place value and use the base 10 apparatus to build numbers with tens and ones.

English Novel Study:

This term our Novel study books are 'The Tunnel' for Spring 1 and 'Malala's Magic Pencil' during Spring 2. We are really looking forward to seeing the wonderful work children will produce! We will be looking at narrative writing and diary entry writing among other text types over this term!

Science:

In Science we will be learning about Plants and Seasons. Y1s will learn to name the seasons and different types of weather and then will move onto looking at plants. Y2s will be writing a seed diary and following the progress of a seed they have planted. They will also be looking at the parts of a plant and their functions.

Religious Education:

We will be learning about Islam and Christianity. We will learn about the places of worship important to each religion.

History/Geography:

We will start with History in the first half of the Spring term and will be learning about Sir Tim Berners-Lee and the creation of the 'World wide web'. In spring 2 we will then be learning about coastal areas and will be specifically focusing on Filey (with hopefully a trip!)

Music:

Our KS1 music lessons are taught every Tuesday by our specialist WPT music teacher, Mrs Gibbons.

Computing:

This term, KS1 will be having a specialist computing teacher Mrs Khan from WPT in once a week to teach an ICT session.

Jigsaw (PSHE):

We will begin with our 'Dreams and goals' until February half term. We will be looking at what we want to achieve, and the steps we will need to take to be successful. After half term we will then move on to 'healthy me' and will be looking at how to keep our minds and bodies healthy.
