

# ACTIVE CITIZENSHIP ENRICHMENT GRID

## ACTS OF KINDNESS

Supporting others around us is really important especially during a year that has been tough for so many. These activities will help you bring joy and happiness to people in our year, school and local community.

- Make a homemade card for someone who might be feeling lonely this time of the year
- Show your family how much you appreciate their hard work throughout the year through an act of kindness e.g. making their favourite meal, putting the shopping away, helping with the dishes
- Donate some of your pocket money made to a charity that helps those less fortunate. After this year, everyone could use some Christmas cheer!
- Donate some food to your local foodbank

CULTURAL EXPERIENCES

## SOMETHING TO CREATE CHRISTMAS CHEER

ACTIVE CITIZENSHIP

LIFE SKILLS

## SOMETHING TO COOK

Try and make a favourite festive treat for your family or take it over to a friend or neighbour.

Make someone smile this festive period by completing one of the tasks on this grid. Don't forget to send pictures and bring some of your work into school so we can celebrate with you in the New Year!

**MOST OF ALL. HAVE LOTS OF FUN!**

You can write about what you have done in a journal or word document, maybe you could send in a picture or video of your efforts for us to see too!
