

Dear Parents/Carers,

International Women's Day – 8<sup>th</sup> March 2023

We are excited to share with you the plans we have for International Women's Day on the 8<sup>th</sup> March. As a trust, we have made a connection with a charity called "One by One". This is led by Becky Murray who is from Rotherham. Her son goes to one of our schools within the Trust and after setting up her charity, she has focused on women and girls in countries all over the world, she wants to give something back to where she is originally from.

The plan for the 8th March 2023, is to connect a female entrepreneur who is from the local area with our students and share her story of how she has built a charity and helped over 20,000 girls across many countries. We want to use this day to inspire our young people to find out how she has done this and also an opportunity to fundraise for IWD and One by One. We also want to celebrate many of our inspirational female staff across the Trust.

Becky is going to deliver a pre-recorded assembly about her work with the charity to inspire our young people in primaries. At the same time, she is going to be in Rawmarsh secondary school sharing her story with some of our students. After the assembly, Becky will be running a workshop with school council representatives from each school to spend time with her discussing her work and sharing more of her journey. Our Y6 school councillors from Aston Hall will be attending this.

On the day, we are asking our staff to wear purple in line with IWD, purple and proud, and to donate to the charities in support of this should they wish. We will also be hosting activities after school that day for staff to join in. There will be a number of activities led by schools and a trust wide activity for staff to participate in. Each school will be decorated in their reception areas to highlight the day for students and raise awareness. If you would like to contribute or learn more, there will be links to these charities through the school website including how to donate. We will be collecting cash donations at the school office on the day and you can also send any cash donations in with your children should you wish to contribute.

We are really looking forward to this project and developing our work with One by One.

Kind regards

*Ellie Bannister and Helen Tyrrell*

Director of PSHE and Director of Safeguarding
