

Maths

Money:

Work out the following additions:

$$2p + 5p + 1p = \quad 10p + 20p = \quad 20p + 20p + 5p =$$

Using coins, can you make these amounts:

8p, 12p, 15p, 50p, 22p, 45p, 60p

Can you make the same amount in a different way?

Art

Let's get creative! Draw your own Seaside Artwork in the Style of Romero Britto OR draw a Seaside Print of what the Seaside means to you.

Home Learning Summer 2

This term our topic book is 'George's Marvellous Medicine'. We are so excited to share this Roald Dahl book with the children and link it to other familiar Roald Dahl books too.

We hope you enjoy your homework,

KS1 Team☺

Science

We are learning about plants. Go on a plant hunt around your garden or when you are out and about. Draw and label the plants you have found.

History

In class we have been learning about the differences between the Seaside in the Past and in the Present. Talk to people in your family about what the Seaside was like when they were young. Ask them about what they did, where they went and what they wore. Compare this to what you experience now.
