

Y5 Costumes- Let Me Entertain You

For the KS2 production this year, Year 5s will be taking part in a dance as part of the show. For this, your child will be dancing to 'Let Me Entertain You' by Robbie Williams, and will need a costume to wear throughout the 4 shows.

The theme for our costumes is '**entertainers**', so the children need to come dressed in an outfit to represent an entertainer. This could be-

- Clown
- Mime
- Magician
- Dancer
- Performer
- Jester

A reminder that the children will be dancing, so although props may look great, they aren't very practical on stage.

Please may we ask that children have their costume items in a bag, clearly labelled with their name and class, in school by **Friday 7th July 2023** to support us in carrying out our dress rehearsal. Costumes will then be kept in school in preparation for our shows.

If you have any questions, please don't hesitate to get in touch.

Many thanks in advance,
Miss Cochrane & Miss Ellis

The theme for our costumes is 'heroes'. Please can this include

- A cape- this can be homemade or bought;
- An eye mask, this can be homemade or bought, and it'd be great if this could match the child's cape.
- This could also include matching wristbands

Please may we ask that children have their costume items in a bag, clearly labelled with their name and class, in school by **Friday 7th July 2023** to support us in carrying out our dress rehearsal. Costumes will then be kept in school in preparation for our shows.
