Extra-Curricular Clubs and Wrap Around Care 2023-24

Dear parents/carers,

We are very proud of the quality of extra-curricular clubs that we provide at Aston Hall, but are mindful that these have limited spaces and do come at a cost to parents. Following a review of our clubs, and taking feedback from our parent survey in the Spring term, we have made some significant changes and are making plans for 2023-24 onwards.

Firstly, we have made the decision that **ALL after school extra-curricular clubs from September 2023 will be free of charge for all pupils**. We previously charged £3 per session per pupil, which was to cover the cost of external providers and to ensure the high quality and a variety of clubs were on offer. We will still be keeping the same providers, but have worked with our trust to put a model in place that means that all children can now access these for **free**.

Further details to follow, but below are our planned extra-curricular clubs in 23-24 (subject to change):

Autumn Term 1:

Mondays – Street dance (external provider)

Tuesdays – Young Voices with Mrs Thompson

Wednesdays – KS2 Science Club (external provider)

Wednesdays – Mrs Clifton's after school club – details TBC

Thursdays – Macramé & Cross-Stitch with Mrs Wall

Autumn Term 2:

After school wrap around care provision:

Following feedback from our Parent/Carer survey earlier in the year, there was a significant number of parents/carers who suggested they would like / benefit from a consistent after school provision option at school in addition to the range of after school clubs we offer. With this in mind, we are looking into the possibility of starting our own wrap around care (WAC) after school club, led by school staff.

This would be similar to our breakfast club in that children would receive snacks and drinks (to keep them going until their tea at home) and take part in a range of stimulating and active activities to engage them during this time. Before we proceed with further plans, we need to identify what interest there would be for such a provision. Many thanks,
