CALENDAR DATES FOR 23/24 AND CHARITY FUNDRAISING SCHEDULE

Dear parents/carers,

I am very pleased to share with you today our initial outline of calendar dates for the 2023-24 academic year. We know many parents/carers like to know dates of events as far in advance as possible to potentially book time off work to be able to attend daytime events and support your children. Although most dates are now secured, you will see that some are currently planned in with a week commencing date, where the exact day / time is still to be confirmed. Dates for events such as the Y5&6 school and trust residentials, and the Y6 prom are yet to be confirmed, but will be post SATs in the Summer term. We will inform you of these updates as soon as possible with good notice.

Please note, there will also be trips and visitors for other year groups not yet booked in that will be added to this list and our school calendar on the website. This will be updated when events are added, changed or confirmed. You can access the electronic calendar here: <https://astonhallschool.co.uk/our-school/school-calendar/>

In addition to calendar dates, we wanted to share with you our plans for charity fundraising throughout the year, as we know these rely heavily on your support and knowing when these are 'coming up in the diary' is very helpful. These are in addition to our 'Friends of Aston Hall' events which focus on raising funds directly for the children in school. We are committed through our charity fundraising efforts to raise children's awareness of their responsibility as citizens at a local, national and global level. Each year, we will support a range of charities that support people local to school, within our country and across the world.
