

Eco-Code

Aston Hall Junior and Infant School – Eco-code

E – Energy

We are environmentally friendly and we turn off lights and boards when they are not being used.

A – Animals and plants

We look after our community, we grow trees, plants and vegetables to be more sustainable.

R – Recycle

We recycle paper in school and use both sides. We remind staff to not use full colour when printing and we promote that children don't use single-use plastics.

T – Taps

We turn off the taps when they are not in use to save water. If we see a tap on, we turn it off.

H – Health

We eat healthily and we encourage all children to walk to school when they can.
