HEADTEACHER: Mr S Holmes

Dear Parents/Carers,

Children's Capital of Culture is excited to be working with Rotherham School Games to host a festival of movement and dance on **Tuesday 10th June at the Civic Theatre** and your child is invited to attend and perform. The children have been asked to share creative dance or movement pieces inspired by the four themes of Children's Capital of Culture.

The children in Y4HS have been rehearsing a dance piece together that they would like to take to the Civic Centre to perform. The dance is linked to the theme of belonging to a community and has been choreographed by the children themselves. They are very proud of the work they have produced together and it has been a pleasure teaching them!

I would strongly encourage all the children to attend the festival to present their dance piece as this is such an exciting opportunity. If your child would like to attend, please fill out the Google Form and give your permission by **Wednesday 22nd May**.

The festival will take place during school hours and there will be no charge to pupils. Unfortunately due to limited space, parents cannot attend this event.

Many thanks for your support

Miss Poole
